

LED UFO HIGH BAY

Model No. EUHB-240W3000sw

Introducing the LED **EUHB-240W3000sw** UFO high bay – now featuring 3 CCT and 3 Wattage selectable options. Embodying efficiency and versatility, this light optimizes maximum color and power options while maintaining a lumen efficiency of 135-150 lm/W. Built to perform against weather and water, this light is backed by IP65 rating and DLC certifications for efficiency. Transform your space with ease using its dimming capabilities, and choose intelligent illumination with the optional microwave motion sensor and remote control for further customization.
