LED SOLAR WALL MOUNT LIGHT

The Solera Solar Wall Mount light features an all-in-one design. The solar panel and battery are built into the LED fixture. No need for a power source, which eliminates the need for trenching or wiring. The Solar Wall Mount Light has a built-in LED energy indicator.

- Comparable to 35W Halogen
- Fixture features 3 operating modes, PIR motion sensor, timer and full brightness
- LED indicator shows the nights remaining on the current charge
- Lithium Ion battery lasts over 1500 charge cycles
- Perfect for illuminating doorways, walkways, railings and more
- Dimensions (L x W x H): 8" x 3" x 5"
