

The Solera Solar Wall Pack light features an all-in-one design. The solar panel and battery are built into the LED fixture. No need for a power source, which eliminates the need for trenching or wiring. The Solar Wall Pack Light has a built-in LED energy indicator.

- Comparable to 150W HID.
- Fixture features 3 operating modes, PIR motion sensor, timer and full brightness.
- LED indicator shows the nights remaining on the current charge.
- Lithium Ion battery lasts over 1500 charge cycles.
- Perfect for illuminating doorways, walkways, railings and more.
- Dimensions (L x W x H): 8" x 3" x 5"
